### **Local Accidental Damage Protection**

Accidents happen. ASUS Accidental Damage Protection (ADP) helps you avoid repair or replacement costs due to mishaps that occur during normal use of your devices.

- This Service Package service package provides coverage for the following types of accidental damage arising out of normal use: Drops, falls or other collisions, Liquid Damage, Electrical surges, and Accidental breakages.
- Under this Service Package coverage period, unlimited key part(s) allowed to be claimed remedy for every year (3 years)

- For any additional claims made for a repair of key part(s), the labour, shipping and spare parts costs will be borne by the customer.
- The commencement date for this Service Package will be backdated to the date the ASUS product was issued to the student.
- The total cumulative costs of repair services claimed by customers of repair services provided under this Service Package service package shall not exceed the Customer purchase price of the Product .
- All components repaired or replaced by an ASUS Service Centre Center will be under warranty for three months or for the remainder of the warranty period, whichever is applicable.

### **Battery Service Package**

ASUS Battery Service Package (BSP) is an extension to the period of coverage of the standard battery warranty. With this warranty package, a replacement battery will be provided if your laptop battery has defects.

- You are entitled to one battery replacement every year in the event of battery failure during the extended period after your standard battery warranty period 3 years total.
- Except for the change to the battery warranty period, all other terms are the same as the standard battery warranty. Please refer to the warranty card supplied with your product for the standard battery warranty terms.
- This service package only covers the original battery supplied with your ASUS product.
- The replacement battery will be covered under this service package for the remaining coverage period but for no less than for three months.

- This service package covers manufacturing defects only and excludes any expected capacity reduction due to usage.
1. Service and warranty coverage may vary depending on region and country. Please check with your local retailer or partner representative to confirm available options.
